

QUALITY

MERCURY

Strong. Durable. Built to perform.

A mid-weight with comfort stretch. Enough body to take and keep a press, and enough give to stay comfortable through a full day of wear.

GSM	240-250
Width	56-58"
Roll size	60-65 yards
Composition	95% Polyester · 5% Spandex
Origin	Imported
Shades available	15-30+
Handle	Comfort stretch (5% spandex)
Rate	On enquiry

BEFORE YOU ORDER

Ask for a swatch. Weight and shade read differently by hand than on a screen, and ordering roll-wise keeps the shade consistent across a cutting lot. Availability and rate are confirmed at the time of enquiry.
